

Dear Parents,

## **Colégio Europeu Astoria- Astoria International School**

is proud to announce to all School community that we are partners in a new Erasmus + Project about active entrepreneurship.

The Project's name is **“YES - Young Enterprising Students”** in partnership with Poland, Turkey, Italy, Spain.

We will be working together for the next years in hopes of becoming more aware of what's around us and how to develop new methodologies of active learning thus improving our pedagogical skills.

Kind regards,

The School
